Its mostly text with a couple of pictures in the middle of the book: **Disney encanto review** Ok for my generation but for this over stimulated generation its not holding her attention, **Disney encanto slippers** She keeps asking where all the pictures are? Hardcover The book arrived damaged in multiple places. **Disney encanto reaction** Hardcover Daughter loves the story but the cover is so vibrant and the inside is just very boring and lacking pictures and color: **EPub Disney encanto characters** Only disappointment was that when u open the book it's very grey black and whiteish, **EBook Disney encanto cast** There are about 3 pages half way through the book that are colourful that tells u about rhe family members the paper for these 3 pages are excellent. **Walmart disney encanto sticker book** 56 shipping Disney Encanto: The Deluxe Junior Novelization (Disney Encanto)

I bought this for my 5 year old granddaughter. Not enough pictures. The cover was torn and dented. The inside pages were ripped and discolored. Very disappointed with the quality. Any pictures are also grey paper quality not the best. My daughter loves it but definitely let down by the inside. Hardcover \$11
